BASED ON **ISO 20121**

SUSTAINABILITY
MANAGEMENT SYSTEMS

CERTIFICATE

This is to certify that

Andreas Messerli AG (A Member of the Messerli Group)

valid until march 2026

has successfully achieved the certificate of Sustainability Management Systems,
based on the ISO 20121 standard.

The enterprise is familiar with the leading international standards of sustainable event
management and has a good understanding of the process to start, implement
and transparently report on the sustainability performance of management systems.
